

# NCOA South Baseball

## UNIFORM GUIDELINES

### Uniform Norms

- When working with a partner(s), we are expected to look as such and dress accordingly with regards to shirts/jackets. Work this out ahead of time or bring multiple options with you to the game in order to match up with your partner. If working 1-man, wear something appropriate (no digi camo, odd colors, different association, etc.)
- It is OK for the base umpire to dress warmer than the plate umpire in colder weather. (i.e. PU wears a SS or LS shirt while BU(s) wears a shell or jacket.
- If you feel the need to wear long sleeves under your short sleeve shirt, wear a shell or jacket instead.
- NCOA South Baseball wears CHARCOAL, not HEATHER, plate and base pants.
- NCOA South Baseball wears BLACK HATS with the NCOA Logo. If working 1-man, you may wear a BLACK HAT w/no logo.
- When working the plate, wear BLACK ball bags.
- Wear a BLACK Belt.
- Please wear mid to long socks, especially when working the bases. It is an unprofessional look to be in no-show socks.
- Do not wear a watch on the diamond...put a stopwatch in your back pocket. NEVER take your phone on the diamond.

### Major League Style Short/Long Sleeve Shirt

Black Shirt w/ Grey Panel

\*This is our STANDARD shirt.

Powder Shirt w/ Black Panel

\*Can be worn by mutual agreement  
in hotter temperatures.

LS Black Shirt w/ Grey Panel

\*A good choice behind the  
plate on colder days

Many of our members have a Black shirt with our NCOA logo embroidered over the pocket. You can order a Black or Blue shirt online, w/ embroidery, from our supplier, D1 Sports Apparel.
